SCALE CONTROL 50**SCALE INHIBITOR
SUMMER VERSION****TECHNICAL DATA****DESCRIPTION**

This highly active phosphate ester acid is a powerful scale and rust inhibitor designed for oil and gas wells. Once introduced into the well, it removes and prevents scale build-up. Benefits include an increase in production, the reduction in plugging of wells, the reduced need for costly wire line service, and the elimination of deposits on screens and tubing.

DIRECTIONS

This product can be added at the well head directly and injected into the flow lines at required rates based on the fluid volumes and the severity of the problem.

PACKAGING AVAILABILITY:

This product is available in the following packaging options:

20L

205L

1000L

PHYSICAL PROPERTIES:

For an extensive list of physical properties, refer to the MSDS.

State	Liquid
Odour	n/a
Color	Colourless
Density	n/a kg/L
pH	2.5 – 3.5
Cloud Point	n/a
Cloud Point (1%)	n/a
Foam (1%)	n/a

SCALE CONTROL 50**SCALE INHIBITOR
SUMMER VERSION****TECHNICAL DATA****GENERAL FIRST AID INFORMATION****IN CASE OF INHALATION**

Remove victim to fresh air. If breathing is difficult, oxygen may be beneficial if administered by trained personnel. Immediately transport victim to an emergency care facility.

IN CASE OF INGESTION

Rinse victim's mouth with water. **DO NOT INDUCE VOMITING.** Have victim drink 300 mL of water to dilute material in stomach. If milk is available, it may be given **AFTER** the water. Transport victim to an emergency facility..

IN CASE OF CONTACT WITH SKIN

In case of contact with skin, remove contaminated clothing and flush with water for at least 60 minutes. Do not interrupt flushing. Transport to an emergency facility.

IN CASE OF CONTACT WITH EYES

In case of contact with eyes, continuously flush eyes with plenty of water or neutral saline solution for at least 60 minutes. Transport to an emergency facility.

PERSONAL PROTECTIVE EQUIPMENT REQUIRED IF HANDLING DIRECTLY

Impermeable gloves
Chemical goggles or safety glasses
NIOSH approved
Rubber boots required
Impermeable coveralls required
Eye-wash station required
